

Your *family*...

Your *life*...

Your *money*...

Q: What is usually our main concern relative to our Retirement Assets?

A: Safety

Q: What do people want to avoid?

A: The risk of losing money

Q: What else do people want when it comes to their money?

A: Growth

Q: What do many people ultimately, or eventually, want from their retirement nest egg?

A: Income

Q: Do people generally want more or less income?

A: More

Q: Which financial institution is more appropriate for these general needs and/or wants: the Bank, the Stock Market, or the Insurance Company?

A: It depends
