States Requiring Income Tax Withholding for Non-Resident Commissions

- California – 7 percent applies to Individuals and Corporations
- Nebraska – 6 percent applies to Individuals and Entities where at least 80% of shareholders are performing the services
- Pennsylvania – 3.07 percent applies to individuals only

Three states currently require withholding of income taxes on non-resident commissions paid for sales in those states. This pertains to Life business.

Withheld state taxes for the current tax year will be reflected at year-end on the agent's IRS Form 1099.

The tax applies to producers who are not residents of those states but receive commissions for sales within the state. We recommend that you consult with your tax advisor if you have any questions. Non-resident agents are responsible for reporting all commissions for business in these states in accordance with respective state laws.

Please refer to the individual state revenue department websites for further advice.

I understand that in signing this form, I hereby authorize American General Life Insurance Company ("American General") and The United States Life Insurance Company in the City of New York ("USL") (hereinafter collectively referred to as the "American General Affiliates") that I have requested appointments with to investigate my background, including my credit history and interviews with former employers and/or primary insurance company. Agency Agreement

AGENCY AGREEMENT

This Agency Agreement together with all of its annexes, addenda and schedules ("Agreement") is made as of the Effective Date shown on the signature page by and among American General Life Insurance Company ("American General"), an insurance company domiciled in the State of Texas, The United States Life Insurance Company in the City of New York ("US Life" which is collectively referred to with American General as "Insurer"), an insurance company domiciled in the State of New York, and _____ ("Agency"). Insurer and Agency are together referred to herein as "Parties" and each is individually referred to as a "Party." The representations, warranties, duties and obligations of each of American General and US Life hereunder are several, not joint. For purposes of this Agreement, references to Insurer shall mean each Insurer, i.e. American General and US Life, on an individual basis. No Insurer shall be responsible for the actions (or inactions) of the other Insurer.

This Agreement is for the purpose of arranging for the distribution of certain fixed life insurance products identified on the "Compensation Schedules" attached hereto (collectively "Products") that are issued by Insurer through Agency and/or its Agents (as defined below) who are appointed under applicable state insurance law with Insurer. If Agency is a partnership or corporation, then principal(s) of the corporation must be licensed individually as required pursuant to appropriate state laws.

In consideration of the mutual promises and covenants contained in this Agreement, and subject to the terms and conditions of this Agreement, Insurer appoints Agency and its Agents, to market, wholesale, solicit, and procure applications for the Products and Agency accepts such authorization. This appointment and authorization is not deemed to be exclusive in any manner and only extends to those jurisdictions where the Products have been approved for sale and in which Insurer and Agency (and, if appropriate, its Agents) are licensed as required by applicable regulatory requirements. All provisions herein related to the solicitation and procurement of Product applications shall apply to Agency or its Agents only to the extent of Agency's or its Agents' solicitation and procurement activities, as applicable, and not to marketing and/or wholesaling activities in support of a downline Agency or Agent, which shall expressly exclude any direct Product solicitation, Product recommendation or procurement of Product application.

I. Applicable Rules

A. By executing this Agreement each Party represents that it is in compliance and will remain in compliance with all applicable state and federal laws, regulations, and interpretive guidance of governmental agencies or other regulatory bodies including self-regulatory organizations ("SRO") which are applicable to their respective businesses (collectively "Applicable Rules"), or any cases of noncompliance would have no adverse effect upon the Party's ability to execute, deliver and perform its obligations hereunder or result in liability of any kind to the other Parties or their affiliates. In addition, Agency and its Agents shall comply with Insurer's policies and procedures, which are provided to Agency, including any manuals, agency updates, instructions, and directions communicated to Agency. The policies and procedures may be amended or modified by Insurer at any time, in any manner, and without prior notice.

B. [RESERVED]

II. Solicitation; Marketing; and Agency Licensing/Appointment and Supervision

A. Licensing and Appointment.

1. Agency shall be appointed to solicit Product applications and may recruit and recommend for appointment insurance salespeople or other general agents that may recruit insurance salespeople (collectively, "Agents"). Agency shall ensure all Agents are licensed, qualified, and suitable for appointment and may represent Insurer in connection with the marketing, solicitation, and sale of Products. Insurer reserves the sole right to not appoint or contract a particular Agent, or to terminate such appointment or

contract at any time. Agency represents that the information contained in each Agency and Agent application for appointment shall be true and accurate, to the best of Agency's knowledge, as of the date that such application is submitted to Insurer. Agency shall notify Insurer within twenty (20) business days of any: (1) material changes in the information set forth in an Agency's or Agent's application for appointment; (2) inquiries or disciplinary actions initiated against Agency or any Agent by regulatory bodies or SROs; (3) cancellation, material modification or non-renewal of Agency's liability insurance coverages; or (4) any insurance regulatory inquiries, investigations or complaints relating to the sale of the Products.

2. Agency and its Agents shall conduct business only in those jurisdictions in which Agency and its Agents are licensed by the appropriate regulatory authorities in accordance with Applicable Rules. Agency and its Agents will also be appointed with Insurer in accordance with Applicable Rules. If Agency is operating a call center and utilizes an insurance licensed principal to supervise sales and sign applications, Agency must notify Insurer of the actual soliciting Agent and represent that such soliciting Agent is insurance licensed and appointed with Insurer prior to any representation of Products. Agency agrees to immediately notify Insurer in the event any license of Agency and/or Agent is terminated or not renewed for any reason.

3. [RESERVED]

B. Background Check.

1. Insurer will conduct a background check for Agency and/or Agents appointed by it. By submitting itself or an Agent for appointment, Agency represents and warrants that it and its Agents are trustworthy and qualified to act as an insurance agent for Insurer. Agency also represents and warrants that Agency and/or its Agents have not been (or is not aware that its Agents have been) convicted of any felonies or misdemeanor arising out of conduct involving embezzlement, fraudulent conversion or misappropriation of funds or securities, or involving violations of the Federal Violent Crime Control and Law Enforcement Act of 1994 (Sections 1033 or 1034 of Title 18 of the United States Code or any subsequent amendments thereto). Should Agency at any time, while this Agreement is in effect, be (or become aware that its Agents have been) convicted of a criminal felony involving dishonesty or breach of trust, Agency agrees to immediately notify Insurer in writing of the felony conviction. Agency understands that failure to comply with the requirements of the Federal Crime Control and Law Enforcement Act of 1994 may result in disciplinary action up to and including termination for cause by Insurer.

2. [RESERVED]

3. [RESERVED]

C. Solicitation.

1. Agency and/or its Agents shall actively solicit and present to Insurer for acceptance applicants for Products. Requests to purchase a Product shall be taken only on preprinted application forms supplied by or through data entry systems approved by Insurer. The contract forms, applications and supporting documentation are the sole property of Insurer. Agency and/or its Agents will ensure that all application information will be accurate to the best of its knowledge and can be relied upon by Insurer. All applications are subject to acceptance by Insurer at its sole discretion.

2. Agency will ensure that it and its Agents accurately represent the Product, though Agency and its Agents may rely on the accuracy of Product information provided by Insurer. Agency and its Agents shall not misrepresent, provide incomplete comparison, omit material information, or use other methods that will result in an inaccurate representation of the Product. Agency and its Agents will not induce Product owners or owners of other companies' insurance products to convert, lapse, forfeit or replace his or her Product unless such recommendation is suitable and in the particular owner's best interest.

3. [RESERVED]

D. Premium. Agency or its Agents shall take Product premium only in forms acceptable to Insurer. The Parties further acknowledge that any premium received by Agency or any Agent shall at all times be the property of Insurer. Agency acknowledges that if any premium is held at any time by it or its Agents: (i) Agency or its Agents shall segregate such premium from its own funds and will provide upon reasonable request an accurate and verifiable accounting of all such premium to Insurer, and (ii) Agency or Agent shall promptly remit such premium to the lock box or other place designated by Insurer for receipt of premium.

Agency or its Agent shall not: (1) collect or give any receipt for deferred or renewal premiums or collect renewal premiums or any other payments other than initial premium pursuant to Insurer's policies and procedures; (2) deposit any cash or negotiable instruments representing payment of any premium including the initial premium except as otherwise instructed by Insurer; or (3) directly or indirectly provide as an inducement to any person to purchase a policy, any rebate of premium or any inducement not specified in the policy.

E. Contract Delivery.

1. Unless otherwise agreed to in writing, upon issuance of a Product contract, policy, or certificate of insurance ("Contract") by Insurer, it shall be the obligation of Agency and/or its Agent to, upon its receipt of such Contract, promptly deliver such Contract to its owner. For purposes of this provision, "promptly" shall be deemed to mean not later than five business days or such shorter period as is reasonable under the circumstances, from the time of receipt of the Contract from Insurer.

2. Agency and/or Agent will not deliver or cause to be delivered any Contract if Agency and/or its Agents, know the applicant to be in poor health in accordance with Insurer's underwriting rules. Insurer's underwriting rules include a prohibition against delivery of a policy if there has been a change in the applicant's health unless delivery is approved by Insurer's Underwriting Department.

Annualization of first year commissions (hereinafter "Annualization") is available on individual life insurance, excluding annuities, single premium life insurance, controlled business (all family members and business partners) and additional deposits received in conjunction with the sale of individual life insurance and annuity policies (hereinafter called "New Business"), payable on premiums paid under a monthly preauthorized check plan, a monthly salary savings plan or monthly government allotment modes of payment. All advances will be made upon full payment of the first modal premium and the cash payment of said advance will become a loan to the Representative to the extent of the amount advanced.

Any requirements applicable to Business Associate under the HITECH are incorporated into this Addendum. Business Associate agrees to comply with each of the requirements imposed under the HITECH, as of the applicable effective dates of each such requirement, including compliance with any guidance and regulations issued pursuant to the HITECH.
3. **Business Associate Obligations and Activities.** Business Associate, and its officers, directors, employees, contractors and agents, shall:
- a. Maintain the confidentiality, and use and disclose PHI solely for the purposes specified in the Agent Agreement and any addendum thereto and to fulfill the purpose of this Addendum, as Required by Law, and consistent with Insurer's notice of privacy practices, policies and procedures, provided that such use or disclosure would not violate HIPAA, if done by Insurer.
 - b. Use all commercially reasonable efforts and appropriate safeguards to maintain the integrity, confidentiality and security of PHI and to prevent the unauthorized use or disclosure of PHI as Required by Law, and to comply with the security standards of HIPAA.
 - c. Report to Insurer's Privacy Officer in writing immediately (if practicable, but no later than two (2) business days of Business Associate's discovery) any Security Incident or breach, or any use or disclosure of PHI that is not permitted by this Addendum of which Business Associate becomes aware. Business Associate's report shall identify: (i) the nature of the unauthorized use, disclosure or Security Incident, (ii) the PHI used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Business Associate has done or shall do to mitigate any deleterious effect of the unauthorized use, disclosure, or Security Incident, (v) what corrective action Business Associate has taken or shall take to prevent future similar unauthorized use, disclosure, or Security Incident and (vi) any other information as reasonably requested by Insurer's Privacy Officer. Business Associate shall cooperate with Insurer to conduct any risk assessment necessary to determine whether breach notification is required. A Security Incident or breach shall be treated as discovered by Business Associate as of the first day on which such incident is known, or should reasonably have been known, to Business Associate. For purposes of this Section the knowledge of any person, other than the individual committing the breach, that is an employee, officer or other agent of Business Associate shall be imputed to Business Associate.
 - d. Comply with any additional provisions of HITECH that relate to privacy and security and that are made applicable with respect to covered entities such as HITECH Sec. 13401.

 - f. Adopt the technology and methodology standards required in any guidance issued by the Secretary pursuant to HITECH Sec. 13401-13402.
 - g. Enter into an agreement with each of its Subcontractors pursuant to 45 CFR Sec. 164.308(b)(1), 164.502(e)(1), and HITECH 13401 that is appropriate and sufficient to require each such Subcontractor that had access to PHI to agree in writing to the same restrictions and conditions on the use and/or disclosure of PHI that apply within this Addendum, including implementation of administrative, physical and technical safeguards and controls and policies, procedures, training and sanctions in compliance with HIPAA.

Make Business Associate's internal practices, books, and records relating to the use and disclosure of PHI available to the Secretary or Insurer within thirty (30) days of receipt of a request from Insurer or the Secretary, for purposes of determining Business Associate's and Insurer's compliance with the HIPAA requirements, subject to attorney client and other applicable legal privileges.

- j. Within ten (10) days of receiving a written request from Insurer, provide to Insurer such information as is requested by Insurer, if any, to permit the Insurer to respond to a request by an individual for access to, an amendment of, or an accounting of the disclosures of the individual's PHI in accordance with 45 CFR Sec. 164.524, Sec. 164.526, and Sec. 164.528. If an individual contacts Business Associate directly about access to, amendment of, or an accounting of disclosures of his/her PHI, Business Associate will forward such request immediately to Insurer and not make such access, amendment, or accounting. Notwithstanding anything herein to the contrary, Business Associate shall make reasonable efforts to cooperate with Insurer in responding to any such requests and enabling Insurer to comply with federal laws and regulations regarding the timing of response to such requests.
- k. Upon termination of this Addendum, return or destroy, if feasible, (with the permission of Insurer) all PHI that it maintains in any form pursuant to this Addendum, and retain no copies of such information. This provision shall apply to PHI that is in the possession of Subcontractors or agents of Business Associate. A senior officer of Business Associate shall certify in writing to Insurer within thirty (30) days after termination of this Addendum that all PHI has been returned or destroyed and Business Associate retains no PHI. However, if Insurer determines that such return or destruction is not feasible, Business Associate will continue to extend the protections of this Addendum to such PHI and limit further use of the information to the purposes that make the return or destruction not feasible. The respective rights and obligations of each party pursuant to this subsection shall survive the termination of this Addendum.
- l. Notify Insurer immediately upon receipt of notice of an investigation or of a lawsuit filed against Business Associate related to or arising from the use or disclosure of PHI by Business Associate pursuant to this Addendum.
- m. If Business Associate maintains PHI in a Designated Record Set, i) make any amendments to PHI in the Designated Record Set that the Insurer directs or agrees to at the request of an individual within thirty (30) days of receipt of the direction or agreement from Insurer, and ii) provide within thirty (30) days at the request of Insurer access to PHI in a Designated Record Set to Insurer or, as directed by Insurer, to an individual in order to meet applicable HIPAA requirements.

4. Business Associate Permitted Uses and Disclosures.

- a. Except as otherwise limited by this Addendum, Business Associate may use or disclosure PHI on behalf of, or to provide services to Insurer as long as such use or disclosure of PHI would not violate the Privacy Rule if done by Insurer or the minimum necessary policies and procedures of the Insurer.
- b. Except as otherwise limited by this Addendum, Business Associate may disclose PHI for the proper management and administration of Business Associate provided that the disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

5. Insurer's Obligations.

- a. Insurer shall provide Business Associate a copy of its notice of privacy practices; Business Associate agrees that it will abide by the limitations of any such notice of privacy practices.
 - b. Insurer shall notify Business Associate of any changes in, or revocation of, permission by a person to use or disclose PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
 - c. Insurer shall notify Business Associate of any restriction to the use or disclosure of PHI the Insurer has agreed to in accordance with 45 CFR Sec. 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.
6. **Termination.** In the event Business Associate breaches a material obligation under this Addendum, including the provisions governing the confidentiality and security of PHI, Insurer may require Business Associate to cure the breach within a specified time period of not less than twenty (20) days. If Business Associate does not cure the breach within this time, Insurer may terminate the Agent Agreement and this Addendum upon written notice.
7. **Survival.** The respective rights and obligations of Business Associate shall survive the termination of this Addendum.
8. **No Third Party Beneficiaries.** Nothing express or implied in this Addendum is intended to confer, nor anything herein shall confer, upon any person other than the parties hereto any rights, remedies, obligations, or liabilities whatsoever.

9. **Injunctive Relief.** Business Associate agrees that the remedies at law for any breach by it of the terms of this Addendum shall be inadequate and that monetary damages resulting from such breach are not readily measured. Accordingly, in the event of a breach or a threatened breach by Business Associate of the terms of this Addendum, Insurer shall be entitled to immediate injunctive relief. Nothing herein shall prohibit Insurer from pursuing any other remedies available to it for such breach, and Insurer's rights under this Addendum related to injunctive relief, if any, shall be cumulative.
10. **Indemnification.** To the extent permitted by law, Business Associate agrees to indemnify and hold harmless and defend Insurer and its affiliates and its and their officers and directors, employees and agents from and against all claims, demands, liability, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including without limitation, attorney's fees, defense costs, and equitable relief) for any damage or loss incurred by Insurer arising out of, resulting from or attributable to any acts or omission of Business Associate in connection with the performance of Business Associate's duties under this Addendum.
11. **Interpretation.** This Addendum governs the obligations of Business Associate and Insurer with respect to privacy issues only, and the Agent Agreement shall govern as to all other issues. If there is any conflict between the Agent Agreement and this Addendum, this Addendum shall control. Any ambiguity in this Addendum shall be resolved in favor of a meaning that permits Insurer and Business Associate to comply with HIPAA, the Privacy Rule, the Security Rule and HITECH.
12. **Changes in Laws.** Business Associate understands that (i) Insurer may amend Insurer's policies, rules, and procedures, in order to comply with changes in laws or regulations, or, as Insurer deems appropriate related to changes in laws or regulations, and communicate such changes to Business Associate. To the extent that new state or federal laws change a Business Associate's obligations under this Addendum, this Addendum shall automatically be amended to include such changes. (ii) For purposes of any changes, Insurer's communication to the Business Associate may include, but not be limited to, posting of the information on Insurer's websites or other means of making such information known or available to the Business Associate.
13. **Compliance With Laws.** Business Associate shall comply with all applicable laws, rules and regulations, including the Insurer's published policies, rules and procedures, at all time, and as may be adopted in the future. To the extent that state laws are more stringent than the HIPAA regulations, any use or disclosure of PHI by Business Associate shall be made in accordance with the law. Any provision or ambiguity of this Addendum which conflicts with an applicable state or federal law shall be interpreted so as to permit compliance with HIPAA or the minimum requirements of any such statute or regulation.

AIG COMPANIES

HIPAA NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice is provided to you for informational purposes only.

You are not required to call or take any action in response to this Notice.

This Notice tells you about the ways in which AIG Companies¹ (referred to as “we,” “us,” “our”) may use and disclose your protected health information (PHI) and your rights concerning your PHI. PHI is information about you, including demographic information (like your name, address, or gender), whether oral or recorded in any form or medium, that can reasonably be used to identify you. This information may be collected from you or from members of the health care industry (like doctors or employee benefit plans) and relates to your past, present or future physical or mental health or condition, the provision of health care to you or the payment for that care.

We are required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to maintain the privacy of PHI, and to provide you with this Notice about your rights and our legal duties and privacy practices with respect to your PHI. We must follow the terms of this Notice while it is in effect. Some of the uses and disclosures described in this Notice may be limited in certain cases by applicable state laws that are more stringent than the federal standards.

You are receiving this notice because you have insurance under an AIG Companies insurance policy from one of the subsidiaries or affiliates of American International Group, Inc. (collectively, the “AIG Companies” or “we”) listed on this notice.

If the insurance policy you have does not provide payment for the cost of medical care, then this HIPAA Notice does not apply to you. In that case, you will have also received a separate Privacy Notice from us that describes our privacy practices and your rights under state and federal laws related to personal health, financial and other personal information we may have collected about you in the course of conducting business with you.

HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

We may use and disclose your PHI for different purposes. As may be appropriate for the particular insurance or plan, the examples below are provided to illustrate the types of uses and disclosures we may make without your authorization as permitted by law for claims payment, health care operations and treatment.

- **Claims Payment.** We use and disclose your PHI to health care providers (physicians), insurance carriers, the state or others for benefit verification and in order to pay for your covered health expenses. For example, we may share your PHI with a health care provider to assist with processing claims or to another health plan to coordinate and/or seek reimbursement for benefit payments. We will share the least amount of information so that payment can be made. Usually, this involves identifying you, your diagnosis and the treatment provided.
- **Health Care Operations.** We use and disclose your PHI in order to perform our health care activities including, but not limited to, quality assessment activities, underwriting, premium rating, premium collection, reinsurance, legal, compliance, actuarial, auditing, or other administrative activities, including data analysis and management or customer service. We may review your health information if it is time for us to reestablish your eligibility for coverage or to conduct reassessments for case review. HIPAA, however, prohibits any use or disclosure of PHI that is genetic information for underwriting purposes. Genetic information means information about (1) your or your family members’ genetic tests, (2) manifestation of a disease or disorder in your family members, or (3) your or your family members’ requests for, or receipt of, a genetic test, counseling or education, or participation in clinical research which includes such test, counseling or education.

¹ For purposes of this Notice, the AIG Companies include and the pronouns “we,” “us,” “our” and “plan” refer to American General Life Insurance Company,* The United States Life Insurance Company in the City of New York, and National Union Fire Insurance Company of Pittsburgh, Pa.

*This Company does not solicit business in New York.

- **Treatment.** While we do not provide treatment, we may use and disclose your PHI to assist your health care providers (doctors, dentists, pharmacies, hospitals and others) in your diagnosis and treatment. For example, we may disclose your PHI to providers to provide information about alternative treatments.
- **Plan Sponsor.** We may disclose your PHI to the plan sponsor for purposes that are described in the document that governs the specific plan. However, prior to any such disclosure, the plan sponsor will be required to certify that it will use your PHI in accordance with regulations governing the privacy of your PHI.
- **Enrolled Dependents and Family Members.** We will mail explanation of benefits forms and other mailings containing PHI to the address we have on record for the person who is enrolled in the health plan.
- **Health Claim Vendors.** We may contract with individuals or vendors who are sometimes called "Business Associates" to perform various functions on our behalf or to provide certain types of services. In order to perform these functions on our behalf or to provide these services, Business Associates may receive, create, maintain, use and/or disclose your PHI, but only after they agree in writing with us to implement appropriate safeguards and maintain the privacy of your PHI. For example, we may disclose your PHI to a Business Associate to administer claims or to provide support services, such as underwriting services, actuarial services, legal services, care coordination services, utilization management, pharmacy benefit management or subrogation, but only after the Business Associate enters into a written agreement with us.

We may also disclose PHI to a correctional institution if you are to become an inmate of a correctional institution.
- **Fraud/Misrepresentation.** We may disclose your PHI to non-affiliated organizations or persons such as other insurance institutions, agents, insurance support organizations, or law enforcement and governmental authorities as necessary to prevent criminal activity, fraud, material misrepresentation, or material nondisclosure in connection with your coverage or application for coverage.
- **Coroners, Funeral Directors, Organ Donation.** We may release PHI about death to coroners, funeral directors, medical examiners or the register of deeds as necessary to allow them to carry out their duties. We may also disclose PHI for procurement, banking or transplantation of organs, eyes or tissue. In the case of organ donation, information must be shared to get a match.

- **Research.** Under certain circumstances, we may disclose PHI about you for research purposes that we have approved, provided certain measures have been taken to protect your privacy.

- **Government Audits.** We are required to disclose your PHI to the Secretary of the United States Department of Health and Human Services (HHS) when the Secretary is investigating or determining our compliance with the HIPAA privacy rule.
- **Schools.** We may disclose proof of immunization to a school where the school is legally required to obtain proof of an individual's immunizations before admitting the individual as a student, but only with the parent's consent (or, if the student is old enough, the student's consent).

USES OR DISCLOSURES REQUIRING AN AUTHORIZATION

- **Psychotherapy Notes.** We must obtain your authorization for any use or disclosure of psychotherapy notes, except in cases of (1) use by the originator of the psychotherapy notes for treatment, (2) use or disclosure by us to defend ourselves in a legal action or other proceeding brought by you, (3) use or disclosure when required for government audits (see *Government Audits*) or when required by law (see *As Required by Law*), (4) use or disclosure for health oversight activities regarding the originator of the psychotherapy notes (see *Health Oversight Activities*), (5) disclosure to coroners or medical examiners (see *Coroners, Funeral Directors, Organ Donation*), or (6) use or disclosure to avert a serious threat to health or safety (see *To Avert a Serious Threat to Health or Safety*).
- **Marketing.** We must obtain your authorization for any use or disclosure of your PHI to make a communication promoting a product or service, except for communications in the form of (1) any face-to-face communication we have with you or (2) a promotional gift of nominal value that we provide. If marketing involves our receipt of any payment from or on behalf of a third party whose product or service is being described, the authorization will state that such payment is involved.
- **Sale of PHI.** We must obtain your authorization before any sale of PHI, and such an authorization will state that the disclosure will result in our receipt of remuneration. It is not considered a sale of PHI, however, if the disclosure is required by law or is for purposes of (1) a sale, transfer, merger or consolidation of all or part of us with or into another HIPAA-covered entity, (2) our subcontractors (or others on their behalf) performing legitimate services and receiving payment from us only for the performance of such services, or (3) for any other purpose permitted by the HIPAA privacy rule where the only remuneration we (or our business associates) receive is a reasonable cost-based fee for preparing and transmitting the PHI or such other fee expressly permitted by law.

All other uses or disclosures of your PHI not described in this Notice will be made only with your written authorization. You may revoke an authorization at any time in writing, but such revocation will not apply to the extent that we have already taken action in reliance on your authorization. To the extent the authorization was obtained as a condition of obtaining insurance coverage, other law may provide the insurer with the right to contest a claim under the policy or the policy itself.

YOUR RIGHTS REGARDING YOUR PROTECTED HEALTH INFORMATION

You have certain rights regarding your PHI that we maintain about you.

- **Right To Access Your PHI.** You have the right to review or obtain copies of your PHI, with some limited exceptions. Your request to review and/or obtain a copy of your PHI records must be made in writing. We may charge a fee for the costs of producing, copying and mailing your requested information, but we will tell you the cost in advance. We may also deny such request. If you are denied access, you may ask that our denial be reviewed. You have a right to receive electronic copies of your PHI, but only to the extent it is electronically maintained.
- **Right to Amend Your PHI.** You have a right to amend your PHI with a written request specifying the reason you are seeking the amendment. We have the right to deny your request to amend your PHI records if (1) we did not create the record, unless you provide a reasonable basis for us to believe that the originator of the PHI is not available to act on the requested amendment, (2) you ask us to amend information that is not part of your record, (3) you ask us to amend information that is not available for inspection under HIPAA, or (4) you ask to amend a record that we determine to be accurate and complete. If we deny your request to amend, we will notify you in writing and include the reason for the denial. You then have the right to submit to us a written statement of disagreement with our decision which will be added to your records, and we have the right to rebut that statement. If we agree to amend the records as requested, we will inform you the amendment has been accepted. We will also make reasonable efforts to inform others, including specific parties named by you of the changes.
- **Right to an Accounting of Disclosures.** You have the right to receive an accounting of disclosures of your PHI made by us during the six years prior to your request. The accounting will not include disclosures of information: (1) made more than 6 years prior to your request; (2) for treatment, payment and health care operations; (3) to you or pursuant to your authorization; (4) to correctional institutions or law enforcement officials, and (5) other disclosures that federal law does not require us to provide an accounting. The first accounting that you request within a 12 month period will be free. For additional accountings within the same time period, we may charge for providing the accounting, but we will tell you the cost in advance. Your request must be made in writing and must state the period of time for which you are requesting an accounting.
- **Right To Request Restrictions on the Use and Disclosure of Your PHI.** You have the right to request that we restrict or limit how we use or disclose your PHI for treatment, payment or health care operations. We may not agree to your request, except where the disclosure is for the purpose of carrying out payment or health care operations and is not otherwise required by law and the PHI pertains solely to a health care item or service that you (or others, other than the insurer, on your behalf) paid for in full out-of-pocket. If we do agree, we will comply with your request unless the information is needed for an emergency. Your request for a restriction must be made in writing. In your request, you must clearly state (1) what information you want to limit; (2) whether you want to limit how we use or disclose your information, or both; and (3) to whom you want the restrictions to apply.
- **Right To Receive Confidential Communications.** You have the right to request that we use a certain method to communicate with you or that we send information to a certain location if the communication could endanger you. Your request to receive confidential communications must be made in writing. Your request must clearly state that all or part of the communication from us in the usual manner could endanger you. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests.
- **Right to a Paper Copy of This Notice.** You have a right at any time to request a paper copy of this Notice, even if you had previously agreed to receive an electronic copy. You may obtain a copy of this Notice by contacting our HIPAA Privacy Officer. See the end of this Notice for the contact information.
- **Contact Information for Exercising Your Rights.** You may exercise any of the rights described above by contacting our HIPAA Privacy Officer. See the end of this Notice for the contact information.
- **Breach Notification Requirements.** AIG Companies will comply with the requirements of the Health Information Technology for Economic and Clinical Health Act ("HITECH") and its implementing regulations, including the final HIPAA Rules, to provide notification to affected individuals, HHS, and the media (when required) if we or one of our business associates discovers a breach of unsecured PHI. Unsecured PHI means PHI that is not secured by a technology standard that renders PHI unusable, unreadable, or indecipherable to unauthorized individuals.
