States Requiring Income Tax Withholding for Non-Resident Commissions

- California – 7 percent applies to Individuals and Corporations
- Nebraska – 6 percent applies to Individuals and Entities where at least 80% of shareholders are performing the services
- Pennsylvania – 3.07 percent applies to individuals only

Three states currently require withholding of income taxes on non-resident commissions paid for sales in those states. This pertains to Life business.

Withheld state taxes for the current tax year will be reflected at year-end on the agent's IRS Form 1099.

The tax applies to producers who are not residents of those states but receive commissions for sales within the state. We recommend that you consult with your tax advisor if you have any questions. Non-resident agents are responsible for reporting all commissions for business in these states in accordance with respective state laws.

Please refer to the individual state revenue department websites for further advice.
